Duration and structure of the programme

It is a full-time residential programme with ***duration of 2 years, split into 4 semesters***. Each semester will be of 105 working days (excluding study leave, examination days, and days of co-curricular and extracurricular activities)

Semester-I

The first semester is devoted for foundation courses, which are compulsory. After the first semester there will be a break of 15 days.

Semester-II

The second semester has got two segments viz., the Class Room Segment and Field Segment. The Class Room Segment covers 8 general Management Courses, which are compulsory.

There will be a break of 45 days after the second semester. The field segment is intended to impart hands-on-experience to the students in agri-business management practices during the semester break. In this segment the students will be placed for Minor project work for a minimum period of 1 month in an institution belonging to the industries identified under Sectoral Electives and they have to submit a project report after thorough study under the guidance of a faculty. A board, to be constituted by the Director, will evaluate the project report. The Board will be consisting of the project guide, one examiner and the Director, MBA in Agri- Business Management.

Semester-III

The third semester will have two segments, viz., Core segment and Elective Segment. The Core Segment contains four compulsory courses for a total credit load of 10 (ten). The Elective Segment has three major groups. From this segment the students have to select courses for a maximum of 10 credits spread across two major groups subject to a minimum of three courses from one group.

At the end of third semester the students will be given a break of 25 days.

Semester-IV

The fourth and final semester is also divided into two segments - the Class Room Segment and the Field Segment. In the Class Room Segment, four advanced management courses will be offered. In the Field Segment, which is called Management Experience Programme (MEP), the students will be placed in an institution belonging to the industries identified under Sectoral Electives for a period of 2 months at the end of the semester for Major Project work and they have to submit a project report after thorough study under the guidance of an approved faculty. The institution for project work should be identified in the beginning of the third semester so that the student will get enough time to secure placement and acquaint with the structure and functioning of the organization.

Medium of instruction

The medium of instruction and examination shall be in English.

Attendance

A student shall attend a minimum of 80% of the number of classes actually held for each of the courses in a semester to be eligible for appearing for examination in that course. If the candidate has shortage of attendance in any course in any semester, he or she shall not be allowed to appear for any examination in that semester. However, the University may condone up to 10% of shortage if the candidate applies for it as laid down in University procedures and if the Vice-Chancellor is satisfied with the reasons cited by the candidate for his absence in classes.
